

ENIGMA

GUIDELINES

2026

COMPOSIT | 31ST EDITION

OVERVIEW

DESCRIPTION

Step into the world of intellect and curiosity with ENIGMA, an engaging online quiz competition designed to challenge participants across a diverse range of knowledge domains. The event brings together enthusiasts who enjoy testing their understanding, reasoning ability, and analytical thinking through a series of stimulating questions.

The quiz will feature topics such as General Knowledge, History, Science, Engineering, Materials, and Sustainability, creating a perfect blend of academic insight and thought-provoking trivia. From intriguing facts to challenging puzzles, ENIGMA promises a dynamic and exciting experience for all participants.

Whether you are a passionate quizzier or simply looking to challenge yourself, ENIGMA provides the perfect opportunity to showcase your knowledge, compete with participants from diverse backgrounds, and win exciting prizes.

EVENT FLOW

RULES FOR ROUND 1

- Round 1 will be conducted online on the Unstop platform as an aptitude-based quiz.
- Questions will test participants on logical reasoning, analytical thinking, and general awareness.
- Each question carries 1 mark for a correct answer, while 0.25 marks will be deducted for an incorrect answer.
- Participants must complete the quiz within the stipulated time limit.
- This round will act as an elimination round, and top performers will qualify for the next round.

RULES FOR ROUND 2

- Participants qualifying from Round 1 will compete in the General Trivia Rounds held offline at the IIT Kharagpur Campus.
- Questions will cover a mix of topics including
 - General Knowledge
 - History
 - Science
 - Engineering
 - Materials
 - Rare Earth Materials
- The final rankings will be determined based on accuracy and completion time.
- In case of a tie, the fastest completion time will be considered for determining the winner.

GENERAL RULES

- Participants must ensure they have a stable internet connection throughout the quiz.

CATEGORY GUIDELINES

- Participants are responsible for ensuring device readiness (laptop, tablet, or smartphone).
- Participants' screens may be monitored during the quiz to maintain fairness.
- Participants may be required to enable device camera access to prevent unfair practices.
- Any attempt to use external help, unfair means, or cheating will result in immediate disqualification.
- The decision of the organizers and judges will be final and binding in all matters related to the event.

FREQUENTLY ASKED QUESTIONS

Q1. What is the procedure for registration for the event?

All participants must register through the official COMPOSIT website and obtain a participant ID.

Q2. Do I need any special software or tools to participate?

No. Participants only need a stable internet connection and a device (laptop, tablet, or smartphone) to access the Unstop platform.

Q3. What type of questions will be asked?

Questions will primarily be multiple-choice questions covering a variety of topics with varying levels of difficulty.

Q4. Is prior knowledge in a specific subject required?

The quiz includes topics such as General Knowledge, Science, and Rare Earth Materials. While basic familiarity with these topics may be helpful, the questions are designed to be accessible to participants from all backgrounds.

FREQUENTLY ASKED QUESTIONS

Q5. What if there is a tie between participants?

In case of a tie, the participant with the fastest overall completion time will be declared the winner.

Q6. Will all participants receive certificates?

Yes, all participants will receive participation certificates.

Q7. When will the results of Round 1 be announced?

The results will be announced shortly after the quiz is completed, and participants will be informed via their registered email.
