

IDEATHON

GUIDELINES

2026

COMPOSIT | 31ST EDITION

OVERVIEW

DESCRIPTION

Ideathon empowers aspiring entrepreneurs and celebrates India's vibrant start-up culture. This platform invites teams to pitch innovative business ideas or technological improvements in any field. A panel of judges evaluates submissions based on creativity, feasibility, impact, and presentation. This is your chance to gain recognition, valuable feedback, and the momentum to turn your vision into reality!

The event sparks innovation and celebrates entrepreneurial spirit by giving participants a chance to tackle real-world challenges and pitch impactful ideas, particularly in areas like advanced materials and emerging technologies. It's an opportunity to turn creative visions into meaningful solutions while gaining recognition and valuable feedback.

EVENT FLOW

RULES FOR ROUND 1

- Round 1 will be held online on Unstop as an Aptitude Quiz.
- The on-spot registration at Unstop is allowed up to the round deadline.
- Round 1 results will be mailed to the participants selected for the final round.
- The quiz will include logical reasoning and general aptitude questions.

RULES FOR ROUND 2

- Teams are to submit a PowerPoint presentation of a pitch deck describing their idea that should not exceed 10 slides.
- The teams have to submit their presentation that must describe the idea proposed, its impact and implementation as required.
- Submissions that are incomplete or ambiguous, with presentations that are not up to the mark, will not be permitted to present in the final round.
- Selected teams will be called to IIT Kharagpur Campus for the final round.

RULES FOR ROUND 3

- This round will be conducted in the form of a presentation at the IIT Kharagpur campus in front of a panel of judges.
- Teams are required to prepare a presentation within the time limit of 10 minutes, followed by a 5-minute Q&A session. Teams that exceed the given time limit will be penalised.
- There would be penalties if the time exceeds the time limit as follows -
 - 0-1 min: 10% of the presentation marks of the team
 - 1-2 mins: 20% of the presentation marks of the team
 - Greater than 2 mins: 50% of the presentation marks of the team.
- The top 3 teams will receive cash prizes. Decisions made by the judges are final and binding.

GENERAL RULES & FAQ

GENERAL RULES

- The maximum number of participants in a Team is 3. Individual participation is also permitted.
- PPT must be of upto 10 slides.
- Presentation time must be within 10 minutes; penalties would be applicable for exceeding the time.
- The best-presenting team will be awarded.
- The teams are expected to present innovative and well-researched ideas in any field, not necessarily restricted to material science and metallurgy.
- Everything is allowed in the presentation, including sound effects, video clips, and graphics.
- Any action that violates the stated rules will immediately disqualify the team from the competition.

FREQUENTLY ASKED QUESTIONS

1. What is the procedure of registration for the event?

Yes, all the participants must first register through the COMPOSIT website, after which they will receive a participant ID. The team leader must then create a Team on the event page and will receive a Team ID.

2. Do teams with individual participation also need to create a team on the COMPOSIT website?

Yes, individual participation requires a team of 1 member to be created to receive the Team ID.

3. What will happen if the participating team does not submit their PowerPoint presentation before the deadline?

The team will be disqualified and will not be allowed to continue further in the event.

GENERAL RULES & FAQ

4. Is there any specific field that the idea proposed should be on? Does it have to be a complete business model?

There is no restriction on the field of the idea, or that it should be a business model. It could address an issue in any field, and range from a small improvement in existing technology to a full-fledged model for a business venture. The judging panel and COMPOSIT will fairly take all factors into account during evaluation.

5. What is the format of the PowerPoint presentation to be submitted in the first round?

Participants are to submit a PowerPoint presentation of a pitch deck describing their idea that should not exceed 10 slides. Everything is allowed in the presentation, including sound effects, video clips, and graphics

6. Is there a slide limit for the presentation?

Yes. The number of slides should not exceed 10, including the Introduction and Thank you slides.

7. Is there a time limit for the presentation?

Yes. The presentation should not exceed 10 minutes. This will be followed by a 5 min QnA session with the judges.
